

BIOGRAPHY

Dr. Ana M. Petrović (born Borisavljević)
Research Associate, Geographical Institute „Jovan Cvijić“ SASA
11000 Belgrade, Đure Jakšića 9
Phone: +381 64 42 33 605
E-mail: a.petrovic@gi.sanu.ac.rs; borisavljevic.ana@gmail.com

Broad area of Specialization: physical geography, natural hazards, environment protection
Research Expertise: hydrology of torrents, torrential floods, soil erosion

Education

- PhD Studies: University of Belgrade – Faculty of Forestry (average grade: 10.00). PhD thesis: *Factors of torrential flood genesis in Serbia, 207p.*
- MSc Studies: University of Belgrade – Faculty of Geography (average grade: 9.75). Master thesis: *State and issues in hazardous waste management, 71p.*
- BSc Studies: University of Belgrade – Faculty of Geography (average grade: 9.55). Bachelor thesis: *Active learning in geography teaching, 46p.*

Employment

- since 2013 at the Geographical Institute "Jovan Cvijić" of the Serbian Academy of Sciences and Arts
- 2011–2013 at the University of Belgrade – Faculty of Forestry

Projects

- 2015–2017: *International bilateral project with the Institute of Geographic Sciences and Natural Resources Research "Comparative Study on Sino-Serbian Natural Disasters Research and Risk Management"* (Ministry of Education, Science and Technological Development of the Republic of Serbia, Ministry of Science and Technology of the People's Republic of China, 3-16), project manager;
- 2013–2019: *Geography of Serbia* (Ministry of Education, Science and Technological Development of the Republic of Serbia, 47007);
- 2011–2013: *The Research on Climate Change Influences on Environment: Influence Monitoring, Adaptation and Mitigation, Subproject No. 9: Torrential Floods Frequency, Soil and Water Degradation as the Consequence of Global Changes* (Ministry of Education, Science and Technological Development of the Republic of Serbia, 43007);
- 2011–2012: *International bilateral project with the Institute for Soil and Water Conservation of the Chinese Academy of Science „Integrated Impacts Assessment of Soil and Water Conservation at Regional Scale“*, member of delegation of a study visit in March 2012, Yangling (Ministry of Education, Science and Technological Development of the Republic of Serbia, Ministry of Science and Technology of the People's Republic of China);

- 2009: *Protection of Water Quality in Water Reservoirs by Erosion Control in Watersheds* (Ministry of Education, Science and Technological Development of the Republic of Serbia, 22003).

Member of Organizing and Scientific Committees and Editorial Boards

- Organizing and Scientific Committee of the 9th International Scientific Conference Geobalcanica, organized by the Geobalcanica Society, 8–9 May 2023, Skopje, North Macedonia;
- Organizing and Scientific Committee of the 8th International Scientific Conference Geobalcanica, organized by the Geobalcanica Society, 9–10 May 2022, Belgrade, Serbia;
- Youth Editorial Board of the Natural Hazards Research (publisher: Elsevier) since October 2022;
- Editorial Board of the *Academic Platform Journal of Natural Hazards and Disaster Management* (APJHAD) since August 2021;
- Editorial Board of the *International Journal of Disaster Risk Management* (IJDRL) since 2019;
- Scientific Council of the Geographical institute "Jovan Cvijić" SASA since November 2014;
- Editorial board of the *Journal of the Geographical institute "Jovan Cvijić" SASA* (November 2014 – March 2017);
- Organization Committee of the International Scientific Conference "Jovan Cvijić – 150th Birth Anniversary", organized by Serbian Academy of Sciences and Arts, Geographical Institute "Jovan Cvijić" of the SASA and Belgrade City Museum, 12–14 October 2015, Belgrade, Serbia;
- Organization Committee of the International Scientific Conference LANDCON 1209, ogranized by the Faculty of Forestry of the University of Belgrade, 17–21 September 2012, Donji Milanovac, Serbia;
- Selection Committee for new scholarship holders (Master graduates and PhD students) of the German Federal Environment Foundation (Deutsche Bundesstiftung Umwelt – DBU) from the Balkan countries; Coordinator of DBU Scholarship Programme and DBU Alumni Network in Serbia since 2012;
- Reviewer of several international scientific journal published by Springer and MDPI.

Honors and Awards

- Award of the World Association of Soil and Water Conservation for the *Outstanding Youth Paper* under title „Torrential Floods as Natural Hazards in Šumadija Region, Serbia“, Nanchang, China, 2015;
- Award of the Eurobank Programme “Invest in European values” for the best students in Serbia, Belgrade, 2006;
- Acknowledgement letter of the Serbian Geographical Society for autorship and contribution to realization of the competitons in geography for primary school students, Belgrade, 2017.

Invited lecturer

- 6th *International Symposium on Natural Hazards and Disaster Management* (ISHAD, Bursa, Turkey), October 2022;
- Ss. Cyril and Methodius University, Faculty of Natural Sciences and Mathematics, Skopje, North Macedonia, November 2021;
- 5th *International Symposium on Natural Hazards and Disaster Management* (ISHAD, online, Turkey), November 2021;
- 7th *International Scientific Conference Geobalcanica 2021*, Ohrid, North Macedonia, June 2021;
- 1st *World Conference on Soil and Water Conservation under Global Change* (CONSOWA), Lleida, Spain, June 2017;
- Annual meeting of the Serbian Geographical Society, Belgrade, Serbia, February 2017;

- University of Belgrade – Faculty of Forestry, Belgrade, Serbia, March 2017;
- *Education Fair* of the Regional supporting team for science, education and art (NOU Team), Čuprija, Serbia, March 2015;
- International conference *Young Generation of the Danube Area as a Key to the European Integration* (YCDN), Budapest, Hungary, June 2011;
- International summer school *Energy efficiency and renewable energy resources in the South Eastern Europe* (REIC), Fojnica, BIH, May 2010.

Handbook for primary school

- Ilić, N., Petrović, S., Tadić, V., Ristić, L., Radisavljević, A., Borisavljević A., Muždeka, M. (2010). Životna sredina moga kraja [My environment]. Vladimirci: National-Liberal Network. ISBN 978-86-88327-00-8.

Professional development

- Wasser Berlin International, DWA program *Young Water Professionals*, 27–31 March 2017, Berlin, Germany;
- 2nd International academy of DBU scholars „Naturschutz und Wasser“, with presentation „Hydrologische Modellierung als Beitrag zum Sturzflut-Rizikomanagement“, 8–11 March 2017, Osnabrück, Germany;
- 1st International Danube:Future Workshop, 8–10 April 2015, Klagenfurt, Austria;
- One-month research stay on the topic of *hydrological modelling in torrential watersheds*, June 2013, BOKU University, Vienna, Austria;
- College on Soil Physics — 30th Anniversary, 25 February – 1 March 2013, The Abdus Salam International Centre for Theoretical Physics, Trieste, Italia;
- Workshop „Donau ohne Grenzen“, 4–6 April 2011, German Environment Foundation, Budapest, Hungary;
- Ten-month research stay on the topic of *ecological status of the Danube River and integrated river basin management*, March – December 2010, WWF Institute for Ecology of Floodplains, Rastatt, Germany/ Saxon Foundation for Environment, Dresden, Germany;
- Danube Future Leader's Conference, 5–6 June 2010, Cabinet for European Integration of the Deputy Prime Minister of the Republic of Serbia, Novi Sad, Serbia;
- Workshop “Scientific writing”, 11–13 October 2010, Karlsruhe Institute of Technology, Karlsruhe, Germany.
- One-month research stay on the topic of *soil and water resources*, November 2009, University „Alexandru Ioan Cuza Iasi“, Iasi, Romania.
- Workshop “Academical skills”, 8–9 October 2009, Ministry of Education, Science and Technological Development of the Republic of Serbia, Belgrade, Serbia.

Scholarships

- OeAD – Austria's Agency for Education and Internationalisation, Scholarship for research stay, 2013;
- German Federal Environment Foundation (Deutsche Bundesstiftung Umwelt – DBU), Scholarship for research stay, 2010;
- EU Coimbra Group, Scholarship for research stay, 2009;
- Ministry of Education, Science and Technological Development of the Republic of Serbia, Scholarship for PhD students, 2009.

Membership in Professional Organizations

- European Geosciences Union – EGU (since 2022)
- Serbian Association of Torrent and Erosion Control (since 2017);
- World Association of Soil and Water Conservation – WASWAC (since 2008);
- Serbian Geographical Society (since 2002);
- International Water Association – IWA (2010–2011);
- Serbian Water Society (2009).
